WEDNESDAYJULY 16

As a rule, all the Anarchists in the country are foreigners. As a rule, strikes originate in this country on the part of foreigners. Why this is so has been a probem in a great many minds. We presume the real reason is that these mea, in their native lands, suffered so much that their hearts were embittered toward all the world. So when they come to a land as free as ours they mistake liberty to mean unbridled license and proceed accordingly. What some of them suffer at home we can imagine from the following "The weavers of the Eulengebirge have petitioned the German Em peror to help them. By working fourteen hours for six days out o seven, they say they can earn only \$1.25 each weekly. Their wive earn about 65 cents each week! at the looms."-Salt Lake Trib

C. C. Goodwin, the fearles editor of the Salt Lake Tribun says: The West does not care cent for New York, or the opinion of the men of New York city. They are a set of slaves, a set of shoddy slaves that wait for some English or German banker to take snuff before they sneeze. They are a miserable set of dirty todies that got rich out of the West by swapping their products and getting corners on them. New York be blowed.

Human Bones

TRUCKEE, July 14th .- A number of human bones, which evidently had been gnawed and scattered by coyotes, have been foun a mile and a half from Truckee, toward Schaffer's mill. The head was not found, but a man's clothing and a revolver with two chambers empty were lying near the bones.

Farmers throughout North and South Dakota are becoming agitated over the scarcity of labor. Hundreds of men are needed in every county to save the big wheat crop that is now coming forward. Wages will be from two to three dollars per day from the opening of having to the end of threshing season-July 15th to December 1st.
